Congratulations, John! The Define Phase is complete

Here's what we built using your information.

You can always access the docs you create under your user account in the top right

Charter

Description of what a Charter is and how it will benefit the user and process

SIPOC (Need a layman's term for SIPOC?)

Description of what a SIPOC is and how it will benefit the user and process

Process Map

Description of what a Process Map is and how it will benefit the user and process

Have a question to add that we didn't ask?

Let's Start Phase 2!

Measure your Problem!
